WHOLESALE PRICE LIST AUTUMN, 1910

The Bay State Nurseries

WINDSOR H. WYMAN, Prop'r.

NORTH ABINGTON, MASS.

Trees, Shrubs, Evergreens, Vines,
Roses and Herbaceous Perennials.

Long Distance Telephone, Rockland 26-13

Cable Address, "Nursery," Boston

Telegraphic Address, North Abington, Mass.

LOCATION OF NURSERIES

The Bay State Nurseries are located in North Abington, Mass., 18 miles south of Boston on the Plymouth division of the N. Y. N. H. & H. R. R.—half way from Boston to Plymouth. Trains leave the South Station at frequent intervals during the day. Visitors are always welcome. Our office is ten minutes walk from the station. If notified we gladly meet visitors at the station and take them about the Nurseries.

The Planting Season

Evergreens can be successfully transplanted during August and September. Herbaceous Perennials do best when moved during September and before the middle of October. Trees and Shrubs can be safely planted any time after October 1st, until freezing weather sets in.

Directions for Shipping

Parties ordering are requested to state explicitly the mode of conveyance by which they desire their stock forwarded.

When no route is designated, we exercise our judgment; but in no case do we assume any responsibility after packages are shipped, unless for our own mistakes. When losses occur by detention, claims should at once be made on the transportation company.

Inspector's Certificate Accompanies Every Shipment

CONDITIONS OF SALE

First.—The articles on the following list will be furnished at the annexed prices only when the quantity specified shall be taken. Five hundred will be furnished at the thousand rate; fifty at the hundred rate, and five at the rate per ten.

Second.—While we exercise the greatest care to have all the Trees, Shrubs and Plants genuine and reliable, and hold ourselves prepared to replace, on proper proof, all that prove untrue, we do not give any warranty, expressed or implied; and in case of any error on our part, it is mutually agreed between the purchaser and ourselves that we shall not at any time be held responsible for a greater amount than the original price of the goods. No complaints will be considered that are not made within ten days after receipt of stock.

Third.—The prices annexed do not include the boxes or bales. A charge for the actual cost of the boxes or the material used in baling is made. No charge is made for conveyance to freight station.

Our terms are cash, unless by special agreement. We can ship by express C.O.D. when desired, with charges for collection added to the bill—provided 20 per cent. of the amount of the order accompanies the same as a guarantee. Said guarantee will be required only from parties with whom we have no business acquaintance. All bills remaining unpaid December 1st in Fall, and June 1st in Spring, will be subject to sight draft without further notice.

WHOLESALE PRICE LIST.

ORNAMENTAL DEPARTMENT

NOTE—In compiling this list, we have endeavored to include only such varieties of stock as we have now in our nurseries, in sizes and quantities offered. In filling orders we shall grade stock according to these specifications. Should orders be received for sizes not found in this list, or should any specified grade be exhausted, we will send the nearest size we have in stock at the time the order is received and charge accordingly, unless otherwise advised.

RHODODENDRONS.

We are growing and importing many thousand Broad Leaved Evergreens, increasing our plantings from year to year. Our stock comprises the best Hybrids of the most hardy sorts, and the native Catawbiense Maximum, and Punctatum varieties; also Mountain Laurel (*Kalmia latifolia*). If you want nursery grown natives we have them by the carload. If you require collected Maximums we can furnish them by the thousand or any number required.

HERBACEOUS DEPARTMENT

The growing of Herbaceous Perennials has come to be one of the important features of our business. We have twelve acres devoted exclusively to the growing of Perennials. We are continually receiving letters of appreciation relative to the stock we are sending out and our methods of packing. Our stock was never so large as now, and we feel sure that we can furnish this most popular class of plants from our fields that will not be not only second to none, but far superior to much of the seeding pot-grown and divided stock which is being offered at low rates. Field grown stock of the proper size will secure for the planter the best possible results.

WHOLESALE PRICE LIST.

HARDY PERENNIALS, FERNS AND GRASSES.

SPECIAL NOTE

TREE PAEONIAS (See page 23). We imported from Japan last spring twenty-eight named varieties. Ask for special Circular giving description and prices.

THE BAY STATE NURSERIES

LOCATION OF NURSERIES, 18 MILES SOUTH OF BOSTON

The Commonwealth of Massachusetts

STATE BOARD OF AGRICULTURE

Official Certificate No. 19

Boston, August 11, 1910

TO WHOM IT MAY CONCERN

This is to Certify that I have this twenty-third day of July, 1910, completed the inspection of the nursery stock of the Bay State Nurseries (W. H. Wyman, Prop.) grown at North Abington and Rockland, State of Massachusetts, and find it to be apparently free from the San Jose scale and other injurious insects and diseases which might be transferred on nursery stock from the nursery to the orchard or garden.

This certificate is good until July 1, 1911.

(Signed) H. T. FERNALD, INSPECTOR.
